

ut_mpi_module::wh_ut

```
graph LR; A[ut_mpi_module::wh_ut] --> B[ut_mpi_module::uz_ut]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'ut_mpi_module::wh_ut'. The right box is white and contains the text 'ut_mpi_module::uz_ut'. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.

ut_mpi_module::uz_ut
