

et_module::avryx_yx

```
graph LR; A[et_module::avryx_yx] --> B[et_module::intyx_yx]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'et_module::avryx_yx'. The right box is gray with a black border and contains the text 'et_module::intyx_yx'. A blue arrow points from the right side of the left box to the left side of the right box.
